LONDON'S MOST EXCITING NEW ROOFTOP

SKYLIGHT HAS ANOTHER ROOFTOP TO ENJOY. COME AND SEE THE VIEW...

Occupying the top floor of Mountview Academy of Theatre Arts, and with an overall capacity of 250, Skylight Peckham will offer an experience and a vista like no other in London.

Blending the inside with the outside in style, the venue's design uses planting, pops of pastel colour, a zinc topped bar and natural marble across both the inside restaurant and bar and the large wraparound terrace. Transforming from daytime to evening, feature lighting will seamlessly move the guest experience from buzzy all-day dining and sun-drenched drinking to atmospheric date-night cocktails, evening dinners and a great wine selection, all to be enjoyed against a backdrop of the spectacular London skyline.

LOCATION

Skylight Peckham is ideally located at 120 Peckham Hill St, SE15 5JT - within walking distance of the Overground, or just a short bus ride from Oval tube station.

PLATTERS

We know what groups like to snack on when getting together; varied, shareable and delicious food! So, our platters are designed for groups to explore our seasonal menus, with a selection of from vegetarian sides, seasonal breads and our ever popular Hot&Crispy items.

The menus will be published at least 2 weeks ahead of the coming months so you can get excited about trying our new favourites.

With bar snacks out ready to snack on, our kitchen will stagger-serve your choice of platters. All our platters are based on 12 people sharing. If you have a group of 30, we recommend 2 or 3 platters, depending on how hungry your guests are.
