TESTIMONIALS

“ DELOITTE

“The booking service was excellent and very accommodating and knowledgeable about the various options to make sure the event was perfect for our group. We had a brilliant time thank you, the team really loved the venue and all the staff there were very accommodating and charming.”

“ CISCO MERAKI

“We had a wonderful summer party at Skylight despite the weather not being great. The Skylight team was incredibly helpful through the process, and the staff on the night were very hospitable. We will definitely be back!”

“ TOKIO MARINE HCC

“For our summer party this year we wanted to do something special, and when we visited Skylight we knew we found the perfect space for it! As we had about 350 people attending, we decided to hire the entire space so everyone could make the most of the croquet and pétanque courts.

The city views made a perfect background for our event, the food and drinks were great and the silent disco and photobooth were a huge hit! Thank you to the Skylight team for making it a great evening!”

“ TOUCH SURGERY

“Please thank all of the front of house and bar teams too, they made everything run super smoothly and meant, for once at a work party, I was able to enjoy myself!”

SKYLIGHT HAS COME TO SOUTH EAST LONDON

Occupying the top floor of Mountview Academy, and with an overall capacity of 250, Skylight Peckham will offer an experience and a vista like no other in London. Blending the inside with the outside in style, the venue's design uses planting, pops of pastel colour, a zinc topped bar and natural marble across both the inside restaurant and bar and the large wraparound terrace.
