

HERE'S WHAT TO EXPECT ON THE DAY:

GUESTS ARRIVE

Head to Skylight Tobacco Dock, Pennington Street, E1W 2BB. Our entrance has large pink gates and a blue Skylight sign. Our fab host team will welcome your group with the same-coloured wristbands and guide them to your reserved space. Your area will be roped off and clearly labelled with your logo. If you are the lead booker, please introduce yourself to the host team so we know who you are.

SERVICE STYLE

You will be welcomed with bottles of wine, beer and softs on ice, placed on your tables. Guests can help themselves as they please and our staff will replenish, leaving no glass empty! Food service is staggered and enjoyed fresh and vertically for a no mess experience. Menu is also individually portioned, so there's no need to share!

ICE RINK

Each guest is given an ice rink token on arrival, which they'll use to swap their shoes for metal skates when they want and try out the ice rink. A waiver will need to be signed before getting on the ice rink. We find guests enjoy the ice rink for 15-20 minutes on the ice - equally enjoyable watching others before and after. There are free friendly Penguins and Seals to help less experienced skaters out. We fully recommend thick socks for stability and warmth on the ice.
